

**MCEC needs your support to stay on target
for the 2022 Maryland Legislative Session!**

**Your sponsorship demonstrates the diversity
and reach of the energy industry sector in
Maryland to policymakers.**

The 2022 MCEC Legislative Reception will be held in a hybrid format to allow for in-person networking and remote attendees to hear from guest speakers on the climate and energy priorities under consideration for policy and regulation under consideration by the Maryland General Assembly.

Hear from guest legislators and engage with our featured panels on Building Electrification and New Advanced Energy Technologies.

**The Governor Calvert House
Annapolis, Maryland**

**Thursday, February 17
10:00 AM – 1:00 PM**
