

**MCEC RFP: MARYLAND WOOD FUEL
SUPPLY CHAIN ANALYSIS**

Questions and Answers – November 8th, 2022

1. Q1 Reference: LLC Registration

Question: My LLC for consulting work is registered in the state where I currently work. Do I need to set up another LLC specifically for Maryland before submitting for the RFP? Could I register after submission?

Answer: Yes, you need to register to do business in Maryland before you submit for the RFP. You can register your LLC [here](#).

2. Q1 Reference: Professional Liability Insurance

Question: Would MCEC consider waiving the requirement of maintaining professional liability insurance for this RFP?

Answer: While the requirement cannot be waived at this point in the RFP process, you can submit a proposal and provide justification explaining why you choose to not carry professional liability insurance and we will consider your proposal.
